TURKEYS ESCAPE

HAM REPLACES TRADITIONAL MEAL

Well, the year's almost over, and the rain is finally upon us. It's time to start thinking about the holidays, and all the work that is involved! I'm not complaining...as I love the holidays. Yet, there must be an easier way!

We went through some pretty rough changes last month, on the CCS board, but things look good, as of the November board meeting (See minutes inside).

Our beginner class is really doing an outstanding job. Its time to use some of that new found energy and knowledge and have some fun with it!! The Wednesday (bi-weekly) Fun dances sound like a good way to do just that! Let's all plan to go and have a good time, practicing what we've learned!!

Due to the heavy schedules that we all have during this time of year, there are very few club activities planned past this month. The last real pot-luck will be at Robin and Fay's home, on the 19th of this month. The time is set at 7pm to 10pm, and the food list will be circulated on the 16th. A map should be distributed also. Don't miss it!! It proves to be the highlight of the year!

This is the time of year to reflect the good times, as well as the bad.

The club has a great new beginner class, after a fantastic Arizona Convention.

The board management has undergone a total change, losing most of the "seasoned veterans", for many reasons.

The new board has the real potential to change things for the better.

We can rejoice that there have been no deaths in the ranks of the membership this year, but there are those who have been undergoing medical problems (such as Joel, Gary, Roy, Terry...). We wish them the best.

This is the time of year for reflection. It is also the time of year to be thankful that we made it through yet another.

We can even be thankful that although there is another Republican in the White House, there are still more Democrats in the Senate/House.

We all have reasons to rejoice. Keep those at the forefront of your thoughts, and above all have a Happy Thanksgiving Day, with all the trimmings!!!

**CAPITAL
CITY SQUARES
MEETING
MINUTES**

by cindy sullivan

November 10, 1988 Board Meeting Minutes: The board meeting, held at "Joseph's", was called to order at 7:05pm by George. Those in attendance were: George, Cindy, Audrey, Rich, Bill, Rick and Billie.

For the benefit of our new members, we discussed the roles and jobs of the various committees and officers. We held a lengthy discussion on the importance and need for written guidelines for the membership and social committees. These written guidelines will help with continuity of activities. It was also pointed out that these two committees should be working very closely together now. We all agreed that we should try to help with the task of

developing guidelines by jotting down ideas to share with the committee chairpersons. We made several suggestions for the social committee at this time.

Our new board members assumed the following jobs: Bill is now our social committee chairperson, Billie will take roll in the new class, and Rick will be in charge of bringing sodas to the class nights. (Audrey is now the treasurer and Cindy will continue to take roll in the Plus class.)

The board voted to purchase a tape player/"boom" box for use at the Wednesday night Fun dances, along with an ice chest for the sodas. We also voted to pay for Audrey and a guest to represent CCS at the MGW celebration dinner. We have been nominated for an award (???):!!

A brief discussion was held on the topic of "graduating" in order to become a member, and get a club name badge. Kris and Karl are still

working on establishing standards for advancement into the next levels of dance.

George will check with Robin to see if she is still interested and able to be in charge of the Wednesday night Fun dances. The board will also attempt to help organize our dancers for the convention in New York in 1989.

George stated that the club has approximately \$650 in the bank. With no further business, the meeting was adjourned at 8:45pm.

The next meeting will be held at Bill's house on Wednesday, December 7th at 6pm.

Respectfully submitted,

Cindy

P.S. Congratulations and welcome to our new board members: Bill, Billie and Rick!!

C'mon Let's Dance!

FROM THE CHAIRMAN:

So, what's going on?
The rumors run rampant!

Everything from "CCS
has disbanded", to
"there's a major schism
going on"...all wrong!

We are still here,...
kicking up our heels
and stitching our
crinolines!

Keep in mind that in
square dancing one
almost never backs up.
What we have here is a
"veer" (to the left, of
course,...god forbid we
should ever "veer"
right!). The necessity
of including
representation of our
new beginners to the
board, as well as the
recent loss of our
chairman, has caused
us to do a little
wheel-spinning while
the dust settles. We
are now rolling again.

Yes, there have been
some slips, a few
things falling through
the cracks . . . , but
we're getting out the
tape, plaster and
nails (both kinds, not
to mention foundation,
rouge, shadow and
lashes, .etc.), and
putting it back

together again.

But where are we now?
Well, we're back on track
(Track 2?) All
aboard...load the
boat...we're going to
have fun now! We have
our classes on Tuesdays
(7pm to 8:30 at William
Land School - 12th and
"U" Streets), and we are
starting a bi-weekly
(that means every "other"
week, folks!) dance night
on Wednesdays (at Josephs
Town and Country - Bus.
80 at Howe - upstairs in
the back). For those of
you who know...it's in
the room that Lady
Garnet's Review takes
place. This starts on
Wednesday, November
16th, and will be
primarily aimed at
practicing basic and
mainstream calls. So
all of you who have been
holding back, because you
didn't want to learn
Plus, or have been
learning basic and need
the practice . . . C'mon,
Let's Dance!!

On November 19th, we're
having a pot luck at
Robin and Fays place,
from 7pm to 10pm. A map
will be provided at the

November 15th dance
night, and there will
be a sign up list, for
food, as well. Let's
make this a must, as
there won't be anymore
CCS pot lucks this year!

Welcome to the new board
members: Bill McCrory,
Billie Terese-Parish and
Rick Arts. As you can
see by the Board meeting
minutes, we now have
some rearranged
positions. Don't
hesitate to talk to any
of the board members,
whether to suggest or to
ask, as we are here to
put together what you as
participants want. But
also remember that we
need your help and
support in carrying out
many of the tasks that
need to be accomplished.
We all have a long way
to go together, but we
have come a long way as
well.

I'm looking for a few good men and/or women to write an article for my favorite newsletter. C'mon ya'all!!
